The United States District Court for the District of New Jersey has authorized this Notice;
it is not a solicitation from a lawyer.

You may be a member of the Settlement Class in *Abramson v. Affinity FCU*, in which the Plaintiff alleges that defendant Affinity FCU (“Defendant”) unlawfully assessed Retry NSF Fees during the Class Period. If you are a Settlement Class Member and if the Settlement is approved, you may be entitled to receive a cash payment from the \$500,000.00 Settlement Fund.

The Court has preliminarily approved this Settlement. It will hold a Fairness Hearing in this case on **Tuesday, September 19, 2023**. At that hearing, the Court will consider whether to grant Final Approval to the Settlement, and whether to approve payment from the Settlement Fund of up to \$5,000.00 in Service Awards to the Class Representative, up to one-third of the Value of the Settlement in attorneys’ fees, and reimbursement of costs to Class Counsel and Settlement Administration Costs. If the Court grants Final Approval of the Settlement and you do not request to be excluded from the Settlement, you will release your right to bring any claim covered by the Settlement. In exchange, Defendant has agreed to issue a credit to your Account or a cash payment to you if you are no longer an Account Holder.
